

# NBK SCHOOL REBATE AGREEMENT

This agreement is between \_\_\_\_\_ (School Representative) with the address of \_\_\_\_\_ and the New Born Kings (NBK) with the address of P.O. Box 50785 Sparks, Nv 89435-0785. Both parties hereby covenant and agree to the following terms and conditions:

1. School Representative agrees to become a member of the NBK School Rebate Program. This incentive program is exclusive to NBK sanctioned tournaments. The NBK School Rebate Program is a system whereby any participating schools can attend any participating NBK sanctioned tournaments with their own students and allows them to keep a percentage of their students' pre-registration fees for themselves. This percentage is set by the NBK on a tournament by tournament basis. All rules and regulations governing the School Rebate Program are set by the NBK.
2. NBK School Representatives must sign an NBK School Rebate Agreement for the first time to be included into the program. They will remain a member of the NBK School Rebate Program each year that they attend an NBK sanctioned tournament.
3. The School Representative agrees to explicitly follow all present and future NBK School Rebate Program rules and the NBK Rebate Forms (with any updates) as provided by the NBK in order to collect NBK School rebates, for each NBK tournament they attend.
4. The School Representative retains the right, at the end of any NBK tournament season, to cancel the NBK School Rebate Program temporarily or permanently. The NBK can revise or amend the rules and regulations governing the School Rebate Program at any time.
5. All decisions in disputes shall be decided by the NBK without rebuttal.
